**THE PURPOSE PRESIDENTIAL DECREE NO. 1146, AS**  
**AMENDED, OTHERWISE KNOWN AS THE "REVISED**  
**GOVERNMENT SERVICE INSURANCE ACT OF 1977"**

**EXPLANATORY NOTE**

This bill seeks to include elected and appointed barangay officials as compulsory members of the Government Service Insurance System (GSIS), amending for the purpose Presidential Decree (PD) No. 1146, as amended, otherwise known as the "*Revised Government Service Insurance Act of 1977.*"

The barangay, as the basic political unit, serves as the primary planning and implementing unit of government policies, plans, programs, projects, and activities in the community, and as a forum wherein the collective views of the people may be expressed, crystallized and considered, and where disputes may be settled. The barangay performs its functions through their respective barangay officials who play a crucial role in promoting, developing, and improving the general welfare of the barangay and its residents.

The significant contributions and the importance of barangay officials justify the recognition that they rightly so deserve under this proposed measure. This bill recognizes the necessity to provide a remedy to the predicament of our barangay officials who, after their dedicated service to the government and their respective communities, are not entitled to receive benefits from the GSIS relating to their needs and those of their dependents in the event of sickness, disability, death, retirement, and other contingencies. By including our barangay officials as compulsory members of the GSIS, they will be able to reap and enjoy the social security and insurance benefits already afforded to other government employees.

In view of the foregoing, immediate passage of this bill earnestly sought.
